What DOGMAN Really Is? Linda Godfrey Reveals Her 30 Years of Evidence (Must Watch)

https://www.youtube.com/watch?v=0zC0Lsz2qoEwe

As you all know I am a researcher who is trying to put all the pieces together today that have anything to do with End of the Ages Prophecies and the End Time Delusions of Mankind that I am seeing develop today. I don't have the answers but my puzzle is way more complete than most people because I study these subjects from people who I trust who put out accurate information.

I believe that when the general public is to busy, afraid or ignorant of these subjects and refuses to discuss them, that everyone gets hurt and that no one deals with the problem which means get away with what they are doing by keeping the SEEPING SHEEPLE IN THE DARK. These evil people are allowing hikers and campers in National Parks knowing that some of the will not come out alive. This inferiorities me.

Today I am taking a deeper look into Linda Godfreys research.

What is Dogman really?

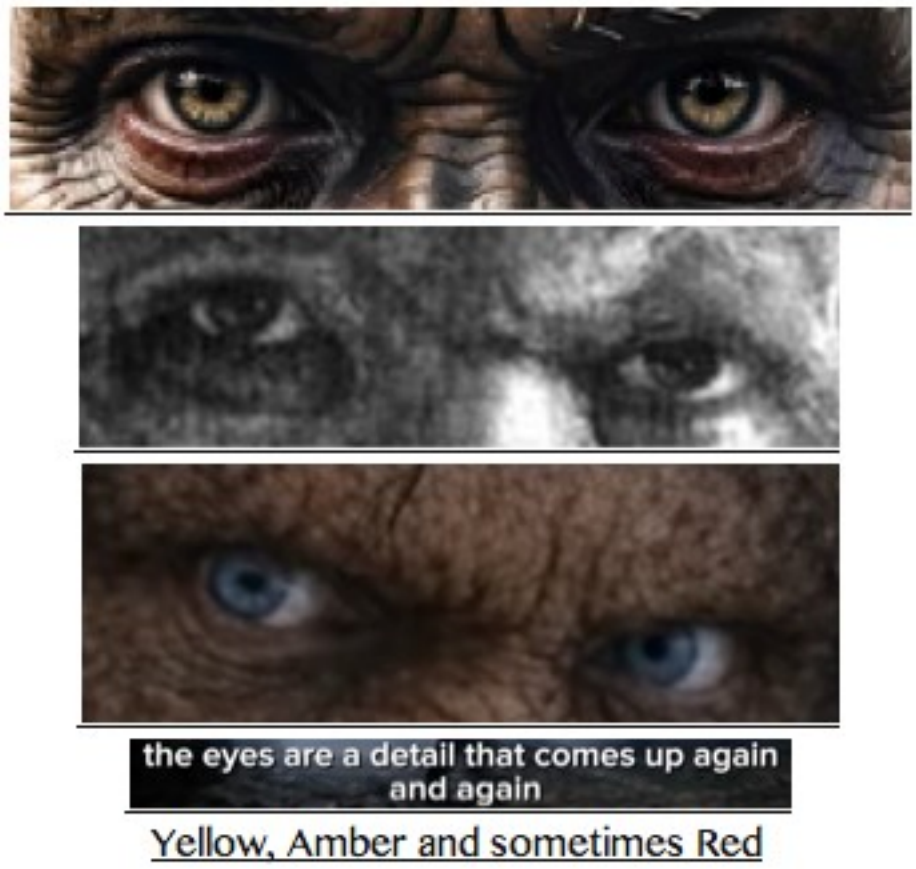
After 30+ years of dedicated research, investigator Linda Godfrey collected more evidence on upright canine creatures than anyone in history. She is another David Paulides.

From her book the Beast of Bray Road to the Michigan Dogman, she documented hundreds of encounters and developed theories that challenge everything we think we know about Dogman.

In this video, https://www.youtube.com/watch?v=0zC0Lsz2qoEwe you will learn about Linda Godfrey's complete research - the eye witness descriptions of Dogman, the geographic patterns, the connection to burial sites and sacred ground, and the various theories about what these creatures might actually be. Is Dogman a Biological animal? Is he also an other dimensional being? Is he a Native American spirit entity? After three decades of investigation,

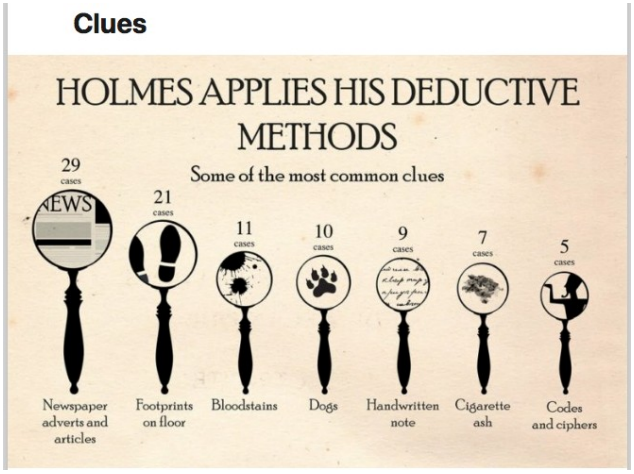
the mystery remains unsolved. Linda Godfrey passed away in November 2022, leaving behind a remarkable legacy of documented encounters and careful analysis. This video honors her work by examining what she actually discovered - not the sensational version, but the real documented patterns and evidence.

I AM ADDING PICTURES TO ILLUSTRATE WHAT I AM SAYING



Dogman's Eyes:  The first thing people say about Dogmans eyes is that they are INTELLIGENT.  They are not like a normal dogs eyes because the expressions are clearly human in the sense that they are thinking, planning, engaging, learning, intelligently moving connecting with their targets eye-to-eye as if they are processing what is going on just as a human does.  They stare directly at you to terrify you and then charge at you to scare you. They appear

to be human hybrids created by aliens and now the DEEP STATE for reasons we are not sure of. To me they seem to be related to the Beasts of the Field who will be killing 1/4 or 1/3 part of humanity soon along with cataclysmic events etc. that have been predicted for a long time in prophecies around the world.. The warnings are global and included cataclysmic events that seem to be cyclical events that are predictable.



I AM ADDING MY COMMENTS TO AN AI OVERVIEW BELOW

"Beasts of the field" in prophecy typically symbolize foreign nations, pagan empires, or evil spiritual forces (demons) that act as instruments of divine judgment, often bringing devastation and consuming the disobedient. They represent dangerous, non-domesticated powers that, while threatening, are ultimately under "the God's" aka ALIEN control. We do not know which evil ALIEN gods are using them to bring down the evil factions that we are dealing with today.

We know for an example that weather pattern changes are happening and not because of green house gasses but because these gods have been using their BOOTS ON THE GROUND to create weather patterns and rainfalls that are not normal by cloud seeding etc. I say this because these are clues that someone is messing with humanity for very

evil reasons.  We need to expose those evil people in order to put a stop to their global take down plans.

Dogman is part of their plans.  This is true with all chimera that eyewitnesses talk about.

**Key Targets of "Beasts of the Field" in Prophecy:**

7 Headed Red  Nazi JROCCC religious  movement and the 7 Headed Leopard Beast movement that represent the 7 continents that are being controlled by their Nazi take over plans

In the background you see the symbol of Satan angry at who the Bible and Jesus referred to as those who are kept safe to become the "Meek who will inherit the earth."

If you look at the back of the picture you see the STONE coming down to earth which may represent the asteroid Apophis that we were first being warned about that is scheduled to hit the earth on Friday, April, 13, 2029 until the

DEEP STATE NASA groupies got involved to debunk the dating of the strike event.

The Harlot
And I saw a woman sitting on a scarlet beast which was full of names of blasphemy, having seven heads and ten horns. The woman was arrayed in purple and scarlet, and adorned with gold and precious stones and pearls, having in her hand a golden cup full of abominations and the filthiness of her fornication. And on her forehead a name was written:
MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND OF THE ABOMINATIONS OF THE EARTH
I saw the woman, drunk with the blood of the saints and with the blood of the martyrs of Jesus. And when I saw her, I marveled with great amazement. [Rev 17:4–6]
Great city Babylon (that rules over kings)
Rules by desire
All that is desirable
Harlotry of Self-worship
And the woman whom you saw is that great city which reigns over the kings of the earth." [Rev 17:18]

The Scarlet Woman represents the Jewish and Roman Orthodox Catholic and Christian Church who are part of what we call the DEEP STATE today whose ideologies are coming from ancient Babylon in Mesopotamia. She is drinking the blood of the saints from the chalice.

Babylonian colors were Red and Purple

**Dogman seems to be an Instrument of Judgment in Prophecy:** They seem to be part of the plan to bring destruction upon disobedient people, specific bloodlines and nations that bring tyranny into our world. **TRANSLATED:** These targets seem to include those nations who operate the ASHKENAZI ZIONIST SHEPHARDIC JEWS AND MEROVINGIANS NWO DEEP STATE MOVEMENT and the Jewish and Roman Orthodox Catholic and Christian Churches (JROCCC). **Those who started these movements are the descendents of bloodlines who came out of Babylon in Mesopotamia essentially.**

This symbolic image represents Jesus who will tie up and destroy these evil movments.

.

- **Symbolic Empires (Daniel/Revelation):** While these beasts often represented the larger beast control system in

Daniel 7, that we call communism and the DEEP STATE today, at the End of the Ages, they also represent the ideologies of a ancient (Babylon, Persia, Greece, Roman) etc., movements that prophecy states will be conducting evil ceremonies around the world today.

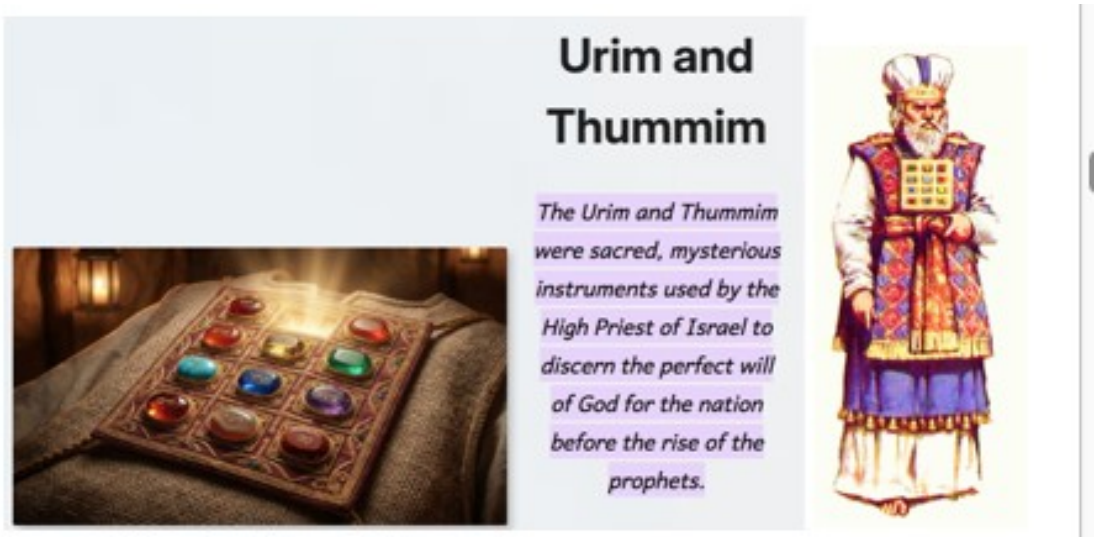
-

Satanic Blood Rituals

**Spiritual Agents:** In some contexts, wild beasts are described as evil spirits or demons, particularly in prophetic warnings against idolatry and sin, which provide a "foothold" for these spiritual forces to attack. This seems to be telling us that those who are doing evil on earth today are asking for trouble. They seem to be conjuring up evil so to speak or an easier way to say this is that they are ASKING FOR TROUBLE when they engage in evil ceremonial practices. I

think of accounts where a group or clan go out in the country, start a fire and engage in some sort of sacrificial ritual conjuring up some kind of demonic entity or spirit. I think of the Oija Board and dark rituals people engage in.

I think of Indians and their Tom Tom Drum rituals or the Jews and their ancient communication devices they used to contact Yahweh Ildabaoth the Demiurge YHWH known as the Urim and Thummim which were sacred objects used by the High Priest of ancient Israel to communicate with their alien god in specific matters of national importance.



Urim and
Thummim
The Urim and Thummim were sacred, mysterious instruments used by the High Priest of Israel to discern the perfect will of God for the nation before the rise of the prophets.
The communication device used different colored stones that were placed within what was known as the "breast piece of judgment." These priests wore special garments for protection because of the radiation associated with this device.
Urim
Thummim

This breast plate for judgment was worn over the heart, these instruments served as a direct means of divine communication with their alien god before the era of the major prophets. While their exact physical appearance remains a mystery, their function was clear: they provided a way for the leadership of Israel to inquire and receive guidance on judicial decisions

- 
- **Destruction and Desolation:** Dogman is often associated with times of war and desolation. Some say they have been trained and used in war as a sort of special force. It sounds

like the DEEP STATE is training them for surveillance and war.  It sounds like they re chip implanted with tracking devices so that they can be tracked.

- 
- **Part of Divine Provision:** These wild Beasts are portrayed as creatures that the alien gods care for and protect as their assets on the ground like we use tracking dogs.  Think of the technology they have around them that enables them to do what they do, such as appearing and disappearing. Those of us who have been looking into these anomalies haven't figured out if they walk into UFO tractor beams or enter an exit portals to enter and leave the ground.  I would guess both.  Think Star Trek.
-

- 
- **Peace in the Future Kingdom:** In millennial prophecies, the "beasts of the field" are transformed.  Jesus taught that they will be living in harmony with nature and humanity, symbolizing the peaceful restoration of creation as is also mentioned in (Isaiah 11:6-7).  Jesus told us that the "lion will lie down with the lamb." I suspect that this symbolism is multi layered meaning that the image has several meanings.

# THE BOOK OF EZEKIEL

- In the Book of Ezekiel, part of the Hebrew bible, a prophet has a vision of a flying vessel which is followed by fire, smoke and a loud noise. Some ancient alien theorists have argued that the vehicle's design closely resembles that of a modern spaceship. Rather than a divine intervention, perhaps the text describes an early encounter between humans and alien astronauts.

# UFOS IN THE BIBLE?

**ENOCH, ELIJAH, BARUCH, PHILIP, AND EZRA ARE SOME OF THE MANY BIBLICAL CHARACTERS WHO WERE TAKEN TO THE HEAVENS BY MYSTERIOUS WHIRLWINDS AND CHARIOTS OF FIRE. SOME NEVER RETURNED. WHERE DID THOSE MARVELOUS FLYING DEVICES COME FROM?**

**Prophetic Contexts:**

## DOUBLE WORD MEANINGS

**Ezekiel 34:25, 28:** Indicates that an Alien god promised to remove wild beasts from the land, ensuring safety for His

people. Ezekiel appears to have been visited by the Nordic Aryan Alien Elohim FALLEN WATCHER gods but then we don't know because we do not know which one of these aliens gods are being referred to in this Bible story. This is because the JROCCC writers took their names out of the texts leaving us their titles Lord, God, LORD, GOD, LORD God, Lord, God etc., instead.

- 
- **Isaiah 56:9:** A call to wild beasts to "devour" or consume seems to also represent a signal for judgment day (today). This seems to be telling us that the BEAST NATIONS today that engage in the Gog Magog and Battle of Armageddon as well and these wild beasts in the field are waiting for a CALL TO ACTION TODAY. We know they are both killing people today. The CALL TO ACTION seems to be activated to bring these evil nations into the Gog Magog and Battle of Armageddon wars predicted for today
- 
- Dogman seems to be the evil bullies on the block where in Bigfoot encounters he seems to be more benevolent towards people. Many contactees describe being protected by Big Foot or that Bigfoot seems to be more curious and more benevolent as he tries to communicate with people instead. Bigfoot seems to be willing to share the land with people where Dogman wants them out.
- 
- **Ezekiel 39:17:** An invitation for wild animals to attend a "sacrificial feast" seems to be telling us that these beasts will engage in these wars and will eat the human flesh of those who are killed in the process. Prophecy seems to also refer to evil lead nations and the JROCCC as beasts also. These verses have double and triple meanings to them.
- 
- **Revelation 6:8:** Wild beasts are mentioned among the forces that accompany the four horsemen. Today people go missing all of the time in remote areas or lets say in dark places at the same time the prophetic 4 Horsemen are starting their ride and the Gog Magog wars appear to be

starting. Meaning we seem to be in the 7 Year Tribulation Period aka the time of Judgment today.

LET'S GET BACK TO DOGMEN

Dogman's Body is similar in nature to a bodybuilder. The fur is either matted or is lays down like the hair on a normal dog. His hair or fir color is Black, Gray or in some cases Reddish Brown. Like Bigfoot Dogman has hands not paws that they use like people us their hands to hold and handle things, open doors, fiddle with locks, etc. Dogman are generally 6 - 7 ft tall and are Bipedal.

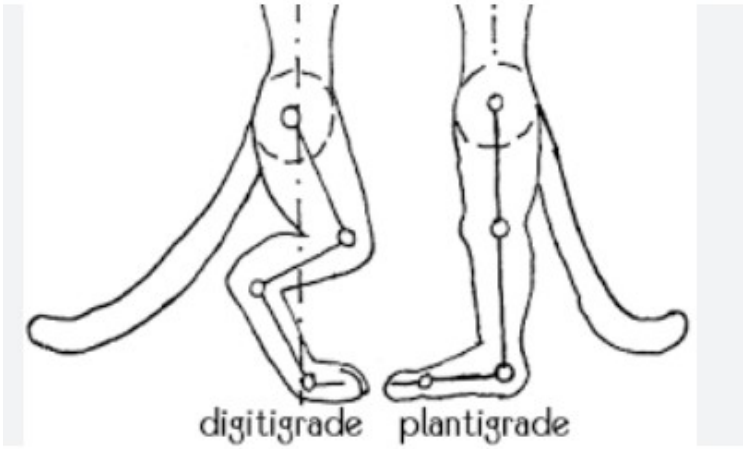
## WHEN DO THEY APPEAR

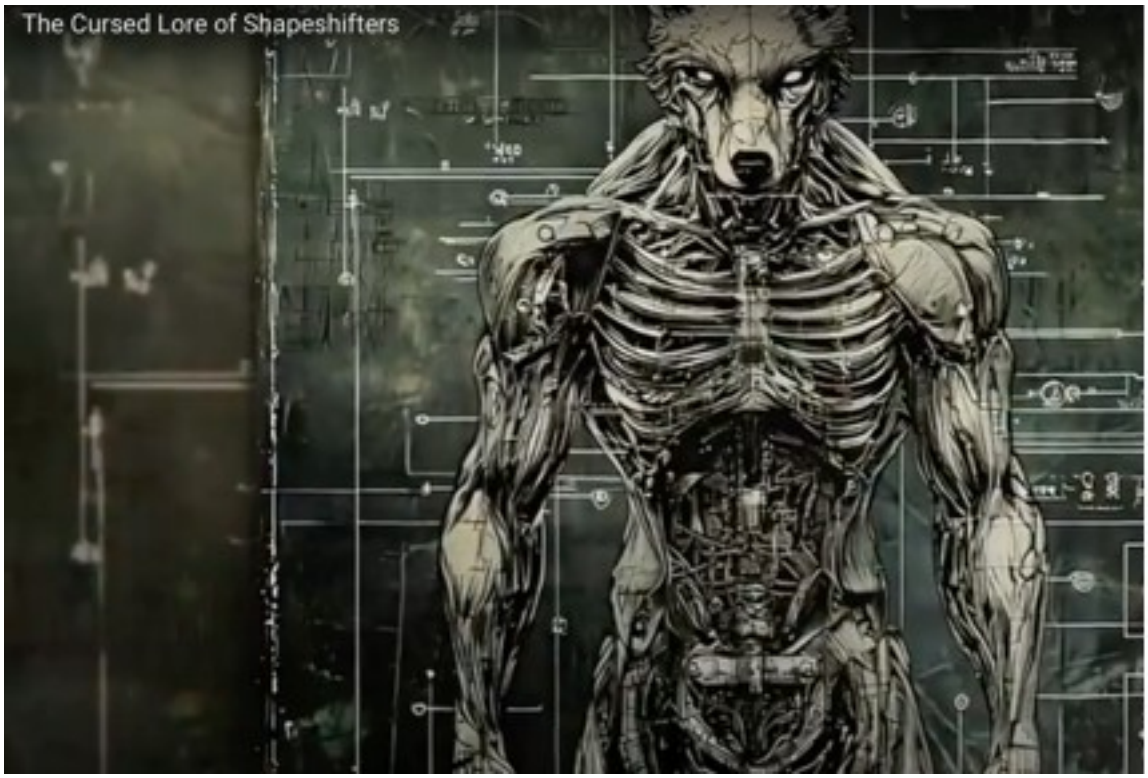
Generally appears between 10.30 PM - 5.00 AM. Scene most often August - October during corn season but is also being seen in the winter and in the daytime. They are being seen by water, rivers, streams, lakes, swamps and marshlands, etc. They are also being seen by, graveyards, old Churches, Indian burial grounds and effigy sites.

1936 a school night watchman named Shackleford observed a Dogman by a burial mound. It seemed to be trying to say Gadara in a proto human voice. In the Bible Gadara was a place evil events and possessions took place that seems to be associated with evil spirits. What this might be saying is that this burial mound was an evil site, which seem to draw in Dogmen. We do not know why except that the evil in those areas seem to open a portal to the dark side where evil beings can enter and leave our 3 dimensional world.

The sites they appear in are also on Ley Lines where the electromagnetic energy fields are different. People who enter these regions speak of a sudden drop in temperature and that all of a sudden people say they don't hear anything as if the forest was just shut down with a switch. Or as if someone flicked the sound switch off around them.

## TOE WALKERS WITH HAULKS





Eye witnesses of Dogman standing up say that as they stand upright that a metallic clicking sound can be heard in their leg joints.  It is clear to me after listening to so many eyewitness accounts that Dogman has been fitted with bionic parts in their bodies.

Dogman legends are most prominently associated with **the state of Michigan, particularly the northwestern part of the Lower Peninsula**. Specific locations like Traverse City, Cross Village, Big Rapids, and Manistee County, especially the Manistee National Forest, are frequently mentioned in connection with sightings. The legend gained traction after a song about the "Michigan Dogman" was released in 1987, leading to numerous reported sightings from the Great Lakes region. While sightings are reported elsewhere, Michigan is often considered the "center of the dogman universe" due to the song's popularity and the volume of reported encounters.

---

While there isn't a specific tribe definitively linked to "dogman" encounters, **many indigenous tribes in America have stories of shapeshifters and other cryptids that share similarities with the dogman**. Some accounts of Dogman sightings are connected to areas formerly inhabited by the Odawa tribe. Additionally, some Native American tribes have lore about skinwalkers and wolf spirits, which can be interpreted as similar to the Dogman concept.

---

**AI Overview** +1

The Michigan Dogman legend, a well-known urban myth, is said to have originated in **1887** with reported sightings by lumberjacks in Wexford County, Michigan. The legend gained more widespread attention in 1987 when a radio DJ created a song about it as an April Fool's prank, which surprisingly led to numerous reports from listeners who claimed to have encountered the creature according to Yahoo News.

---

The primary inhabitants of the British Isles before the Roman invasion were Celtic tribes, including **the Britons (in southern Great Britain), the Picts (in northern Great Britain), and the Gaels (in Ireland)**. These groups spoke Insular Celtic languages. Later, various other groups like the Anglo-Saxons, Vikings, and Normans also settled in the islands.

---

The Celts also spoke of the "Little People" or the "Wee Ones."

Anubis guides souls to the **underworld** (the Duat), the realm of the dead ruled by Osiris. His role includes overseeing the mummification process and leading the soul to the Hall of Two Truths for the "Weighing of the Heart" ceremony, where his judgment determines whether the soul is worthy of eternal life or will be devoured by the demon Ammit.

- **The journey:** Anubis guides the soul through sacred spaces to the Duat, the Egyptian realm of the dead, where the journey involves overcoming gates and guardians.
- **The "Weighing of the Heart":** In the Hall of Two Truths, Anubis is a key figure, meticulously ensuring the scales are balanced for the judgment of the deceased's heart against the feather of Ma'at.
- **Final destination:** If the heart is light enough, the soul is deemed worthy and is granted eternal life, often depicted as entering the paradise of A'Aru. If the heart is heavy with sin, Anubis hands the soul over to Ammit to be destroyed, resulting in oblivion.

NOW LET'S STEP BACK IN TIME WHERE WE ALSO FIND DATA ABOUT DOGMAN

This is how eyewitnesses describe Dogman today.

Dogman appears to be a genetically modified chimera "the alien gods" created to be their BOOTS ON THE GROUND. This is also true of Bigfoot and other CHIMERA. The Jews in

the Old Testament tell us that "the alien gods" created Bigfoot to do the heavy lifting.

A little known hidden secret is that the Jewish and Roman Orthodox Catholic and Christian Church (JROCCC) had a Dogman as a Saint named Christopher. I speak about how corrupt the JROCCC is all of the time but did not know that Dogman was also associated with the JROCCC. This could be why Dogman are known to lurk around old churches and have been known to attack churches during services.

TODAY THE DEEP STATE IS USING DOGMAN AS ONE OF THEIR ASSETS

If you look at the sightings maps you will see that Dogman sightings are located where the NWO ASM_ASHKENAZI ZIONIST SHEPHARDIC JEWS AND MEROVINGIANS NWO DEEP STATE MOVEMENT is operating today. Is this a coincidence? I DON'T THINK SO.

The Aurorosi are practitioners of animal magic and allows them to tame beasts to use as partners for hunting, building, protection, and war. Among the many beasts that are tamed, dire wolves are some of the most common. They are fierce companions and are more than capable of taking down several opponents at once.

DOGMAN SIZE COMPARISONS

Could aliens and the DEEP STATE be combining the Dire Wolf DNA with human DNA????

The Demiurge
Incarnated as Seth

Because they had *no advanced social traditions* of their own, the Hyksos used Egyptian titles associated with traditional Egyptian kingship, and took the Egyptian god Seth to represent their own deity יהוה (YHWH).

## THE ARCHON SETH

Set (also spelled Setesh, Sutekh, Setekh, or Suty) was the incarnated δημιουργός ( Archon Demiurge), whom the Jews called 'Yaweh'.
The meaning of the name Seth is unknown, thought to have been originally pronounced *Sūtaḫ based on the occurrence of his name in Egyptian hieroglyphs (swtḫ), and his later mention in the Coptic documents with the name Sēt.
His purpose was to *disrupt* the work of the Aeons.
The Ancient Egyptians, not understanding the differentiation between the Aeons and the Archon Demiurge, believed the Archon to be a 'god' (neter) of the desert, storms, and foreigners.
In later myths he was also the 'god' of darkness, and chaos.
In Ancient Greek, the 'god's' name was given as Seth.
For the Egyptians, Set, who was worshipped exclusively, represented a manifestation of evil.

During the Second Intermediate Period, the Hyksos chose Set, originally Upper Egypt's chief god, the god of foreigners and the god they found most similar to their own chief god, as their patron.
The Hyksos King Apophis is recorded as worshipping Set in a *monolatric* way: '*He chose for his Lord the god Seth. He didn't worship any other deity in the whole land except Seth*.'

- Papyrus Sallier 1 (Apophis and Sekenenre), 1.2-3, ed. Gardiner 1932

What this data is telling us is that this Dogman was created as an Archon whose job it was to disrupt what Jesus Watchers were trying to do on earth. Jesus WATCHERS were described as angellic protectors, teachers and guardians who were created to aid and assist the ORIGINAL BLOODLINES on earth. As the lore states, a group of them fell from the WATCHERS and decided instead to become the enemies of mankind according to Bible lore. They were lead by a leader the Bible refers to as Satan. They were no longer the GOOD GUYS aka AEONS, instead they became known as the ARCHONS.

Dogman was created by these ALIEN Archons to do their DIRTY WORK essentially to make a long story short. It appears that today it is the descendents of the early ASHKENAZI ZIONIST SHEPHARDIC JEWS AND CELTIC ENGLISH BRITISH ISLES MEROVINGIANS NWO DEEP STATE MOVEMENT WHO CAME OUT OF THE MIDDLE EAST, THAT ARE **BEING TARGETED BY DOGMAN TODAY**.

IT IS ALL ABOUT WHAT IS IN YOUR BLOOD, YOUR DNA. What I am saying is that it seems as thought it is your bloodline lineage is what Dogman is tracking. Your DNA seems to be one of the reasons Dogman attacks people today. Does your bloodline lineage go back to the Middle East? The NWO bloodlines are associated with groups who migrated into Eastern and Southern Europe and Germany. They are the bloodlines that migrated into the British Isles such as the Celts aka the Tuatha De Danaan tribes. The carry what some people refer to as blue blood or serpents blood. The Jews refer to is as the god gene. It is a hybridized bloodline. If your ancestors came from Scandinavia you may be safer because the ORIGINAL Scandinavians did not carry hybridized blood DNA.

I often wondered why so many Dogman Sightings happened in Michigan until I looked at a map. Notice that Michigan is surrounded by water. Dogman seem to come up from the under ground tunnels and bases through surface openings. Many of the alien bases are located under ground and under water.

If you will notice the locations for Dogman Sightings are over underground bases and tunnel systems and under mountains where the ancient "gods lived" according to ancient lore.

These cryptids seem to be the Guardians of the Under World
